A

Abstracts

Research abstracts. 1990;16:50-3, 116-8, 166-7, 360-1, 413-6

Accident prevention

Drunk driving fatalities for teenagers—emergency nurses do something besides talk about it (Jezierski). 1990;16:172-4

How safe are child safety seats? (Halpern). 1990;16:151-5

Near-drowning (Nelson and Beckel). 1990;16:119-23

The Safety Seal Injury Prevention Program: a response to the epidemic of injury and death in children (Sloan). 1990;16:83-9

Acetaminophen

Acetaminophen dosage in pediatrics (Sredzienski). 1990;16:41

Acquired immunodeficiency syndrome

Elective blood transfusions for AIDS patients in the emergency department: problems delineated and solutions and alternatives offered by quality assurance (Stangby and Herd). 1990;16:382-5

Information from the *MMWR** about AIDS and HIV infection (Herd). 1990;16:108-10

Adaptation, psychological

The ABC method of emotional assessment and intervention: a new approach in pediatric emergency care (Bernardo et al). 1990;16:70-6

The management of stress and prevention of burnout in emergency nurses (Keller). 1990;16:90-5

Psychosocial assessment and management of pediatric pain (Douthit). 1990;16:168-70

Survivors' recollections of helpful and unhelpful emergency nurse activities surrounding sudden death of a loved one (Fraser and Atkins). 1990;16:13-6

Adenosine

Adenosine (Adenocard) (Sredzienski). 1990;16:350

Adnexitis

Treatment of pelvic inflammatory disease (Sredzienski). 1990;16:102-3

Adolescents

Drunk driving fatalities for teenagers—emergency nurses do something besides talk about it (Jezierski). 1990;16:172-4

Adrenaline

Safe and effective use of tetracaine, adrenaline, and cocaine (TAC) solution anesthetic for anesthetizing of lacerations (Engebo). 1990;16:100-2

Age factors

The ABC method of emotional assessment and intervention: a new approach in pediatric emergency care (Bernardo et al). 1990;16:70-6

AICD; *see* **Electric countershock**

AIDS; *see* **Acquired immunodeficiency syndrome**

Aircraft

Anchors, bites, and choppers: media relations and legal issues in disasters (Gough and Gulliver). 1990;16:259-62

The crash of Avianca Flight 052 (Solieri). 1990;16:307-8

Alcohol, methyl

Methanol poisoning in the emergency department (Weinman). 1990;16:137-40

Alcohol drinking

Drunk driving fatalities for teenagers—emergency nurses do something besides talk about it (Jezierski). 1990;16:172-4

Alcohol withdrawal syndrome

A 39-year-old man with fatal alcohol withdrawal seizures (Ripley). 1990;16:67-9

Allergens

Assessment and treatment of allergic response to stinging insects (Adamski). 1990;16:77-82

Allergic reaction; *see* **Hypersensitivity**

Anaphylaxis

Assessment and treatment of allergic response to stinging insects (Adamski). 1990;16:77-82

Anesthetics, local

Safe and effective use of tetracaine, adrenaline, and cocaine (TAC) solution anesthetic for anesthetizing of lacerations (Engebo). 1990;16:100-2

Angiography

Invasive cardiac procedures after myocardial infarction: which procedure when and its relationship to thrombolysis (Martin et al). 1990;16:202-7

Angioplasty, transluminal, percutaneous coronary

Invasive cardiac procedures after myocardial infarction: which procedure when and its relationship to thrombolysis (Martin et al). 1990;16:202-7

*January/February, pp 1-60; March/April, pp 61-130; May/June, Part 1—pp 131-182; Part 2—pp 183-228; July/August, pp 229-308; September/October, pp 309-368; November/December, pp 369-436.

Anistreplase
New thrombolytic: anistreplase (Eminase) (Sredzienski). 1990;16:350
Antibiotics
A 68-year-old unconscious woman with a history of urinary tract infection treated with oral antibiotics (Purnell). 1990;16:303-4
Antidepressive agents, tricyclic
Predicting trouble in tricyclic overdose (Sredzienski). 1990;16:350
Antidotes
50% Dextrose: Antidote or toxin? (Browning et al). 1990;16:342-9
Archer, Dorothy
Septuagenarian Dorothy Archer, RN, still keeps pace in busy New York emergency department (Jezierski). 1990;16:59-60
Arsine gas
Hazardous materials exposure: arsine gas (California Emergency Medical Services Authority and Toxics Epidemiology Program). 1990;16:300-2
Asphyxia
Near-drowning (Nelson and Beckel). 1990;16:119-23
Asthma
Occupational asthma (Danis). 1990;16:355-6
Atrial fibrillation
A 59-year-old woman with acute dyspnea (Hansen and Bonin). 1990;16:362-3
Audiovisual reviews
Book, audiovisual, and software reviews. 1990;16:99, 150-1, 288-9, 398
Azidothymidine; *see* **Zidovudine**

B

Bed occupancy
Overcrowding—comfort, consideration, convenience (Fadale). 1990;16:132-3 (President's message)
Bell, Pam
Drunk driving fatalities for teenagers—emergency nurses do something besides talk about it (Jezierski). 1990;16:172-4
Bicycling
Bicycle helmets for children (Halpern). 1990;16:36-40
Birth; *see* **Delivery**
Bites, human
Human bite wounds (Legge and Murphy). 1990;16:145-9
Bites and stings
Assessment and treatment of allergic response to stinging insects (Adamski). 1990;16:77-82
A 22-year-old woman with an infected right-hand wound (Molitor). 1990;16:170-1
Blood transfusion
Elective blood transfusions for AIDS patients in the emergency department: problems delineated and solutions and alternatives offered by quality assurance (Stangby and Herd). 1990;16:382-5
Body image
The ABC method of emotional assessment and intervention: a new approach in pediatric emergency care (Bernardo et al). 1990;16:70-6
Book reviews
Book, audiovisual, and software reviews. 1990;16:99, 150-1, 288-9, 398
Burnout, professional
The management of stress and prevention of burnout in emergency nurses (Keller). 1990;16:90-5
Burns
Disaster triage of massive casualties from thermonuclear detonation (Laurent). 1990;16:248-51
Hetastarch: an alternative colloid in burn shock management (Waters et al). 1990;16:279-87

C

Car seats; *see* **Infant equipment**
Cardiac care facilities
Cardiac care: the evolving role of the emergency nurse (Dempsey). 1990;16:185-6
Emergency nursing care of cardiac patients: questions and answers for the 1990s (Frank). 1990;16:183-4
Cardiopulmonary bypass
Portable extracorporeal circulation: A new standard in myocardial infarction care? (Brown). 1990;16:226-8
Cardiopulmonary support system; *see* **Heart-assist devices**
Cardioversion; *see* **Electric countershock**
Carpal tunnel syndrome
Work-related carpal tunnel syndrome (Danis). 1990;16:47
Case reviews
Case reviews. 1990;16:67-9, 136-7, 243-4, 317-20, 379-81
Cefoxitin
Treatment of pelvic inflammatory disease (Sredzienski). 1990;16:102-3
Chest pain
A 40-year-old woman with midthoracic back pain radiating to left shoulder (High). 1990;16:57-8
Child abuse, sexual
A 24-month-old infant with painful urination (Kowalczuk). 1990;16:124-5
Child development
The ABC method of emotional assessment and intervention: a new approach in pediatric emergency care (Bernardo et al). 1990;16:70-6
Chlorine
Inhalation injury after exposure to chlorine gas leak (Prater). 1990;16:243-4
Clindamycin
Treatment of pelvic inflammatory disease (Sredzienski). 1990;16:102-3
Clinical competence
Skill day: a method of reviewing and verifying ED skills for nurses (Somes). 1990;16:111-5
Clinical notebook
Clinical notebook. 1990;16:36-40, 100-2, 152-5, 290-2
Clonidine
Clonidine and opiate detoxification (Sredzienski). 1990;16:41
Cocaine
Cocaine and congenital urogenital anomalies (Danis). 1990;16:47
Safe and effective use of tetracaine, adrenaline, and cocaine (TAC) solution anesthetic for anesthetizing of lacerations (Engebo). 1990;16:100-2
Cold
Cold and heat application in musculoskeletal injury (Lindsey). 1990;16:54-7
Colloids
Hetastarch: an alternative colloid in burn shock management (Waters et al). 1990;16:279-87
Competency-based education
Skill day: a method of reviewing and verifying ED skills for nurses (Somes). 1990;16:111-5
Consumer
Emergency services, emergency nursing, and the consumer (Fadale). 1990;16:310-1 (President's message)
Coping; *see* **Adaptation, psychological**
Coronary disease
A 40-year-old woman with midthoracic back pain radiating to left shoulder (High). 1990;16:57-8
Correspondence
Behind the scenes of a tragic day (McCranie). 1990;12:377-8
Better security measures called for to combat violence in emergency department (Sullivan). 1990;16:237-8

Correspondence—Cont'd
A celebration in style (Stymchula). 1990;16:11-2
Clarification from nursing director at YPMS (Amendola) (Letter); (Czupryna and Perry) (Reply). 1990;16:9
Critical care flow sheets requested (Dawkins). 1990;16:237
Data regarding methylprednisolone therapy for acute spinal cord injuries needs to be disseminated: emergency nurses can help (Zimmerman). 1990;16:316
Data sought on frequency of patient falls (Danis). 1990;16:312
Designing an effective ED nursing quality assurance program (Krellwitz et al). 1990;16:374
Emergency Medical Services Week—a worthwhile endeavor (Bailey). 1990;16:64-5
Emergency nurse protests Army accreditation requirement (Champeau) (Letter); (Adams-Ender) (Reply). 1990;16:238-40
Incident reinforces student nurse's choice of career (Krogen). 1990;16:313-4
Information on ED computer charting sought (Newberry). 1990;16:376
Information on peer review systems sought (Shea). 1990;16:66
Internal disaster drill critique (Baughman and Calvert). 1990;16:240-1
Leave the collar on (Kruse). 1990;16:376
"Management of stress and prevention of burnout" conclusions questioned (Selfridge). 1990;16:313
More information about mitral valve prolapse centers (Scordo). 1990;16:376-7
More information sought on case review (McHone) (Letter); (Ripley) (Reply). 1990;16:314-5
More on better security measures for the emergency department (De Valles). 1990;16:375
National Nurses' Day tokens of appreciation found lacking (Van Order). 1990;16:237
Need for elderly trauma funding calls for political involvement of emergency nurses and physicians (Mendoza). 1990;16:134
New York State emergency department questionaires reveal increased patient volume and patient waiting times in 1988 (Shaw and Hens). 1990;16:63-4
A nightmare for a wife/nurse (Lewis). 1990;16:375-6
1989 annual meeting applauded (Andrzejewski). 1990;16:8
North Carolina ENA says "Good morning, America!" (Clemmons). 1990;16:315-6
Nurse or mother: Which comes first when disaster strikes? (Willett). 1990;16:241-2
Poison control nurses sought (Phillips). 1990;16:9
Poison information: a phone call away (Morse). 1990;16:9-11
Praise for ENA cofounder (Emery). 1990;16:236
Reflections (Gordon). 1990;16:316
Reflections on the 1989 ENA General Assembly (Southard). 1990;16:8
Reminder: emergency nurses do make a difference (Godley). 1990;16:312
Reye's syndrome reminder (Jender). 1990;16:314
Sample flow charts requested (Buhr). 1990;16:312
Suctioning a neonate: Nose or mouth first? (Somerson) (Letter); (Kozole and Andrea) (Reply); (Sheehy) (Section editor's reply). 1990;16:378
Title requested (Eakins) (Letter); (Fredrickson) (Reply). 1990;16:377
Trauma coordinator list corrections (Hardwick). 1990;16:11
Trauma coordinator list corrections (Reiner). 1990;16:11
Traveling nurses: considerations and expectations (Scheid and McLaughlin). 1990;16:236-7
A way to recognize and remember emergency nurses (Jury). 1990;16:242
Yellowstone articles prompt reflections (Ingebo). 1990;16:65-6

Costs and cost analysis
Cost of injury (Danis). 1990;16:161-2

Crowding
Overcrowding—comfort, consideration, convenience (Fadale). 1990;16:132-3 (President's message)

Cruzan vs. Director, Missouri Department of Health; *see* **Right to die**

Cryotherapy; *see* **Cold**

D

Death
Critical incident stress debriefing: helping the helpers (Rubin). 1990;16:255-8
Death in the ED holding area—Liability? (George and Quattrone). 1990;16:351-2
My worst nightmare (Mavity). 1990;16:128
Survivors' recollections of helpful and unhelpful emergency nurse activities surrounding sudden death of a loved one (Fraser and Atkins). 1990;16:13-6

Debriefing
Critical incident stress debriefing: helping the helpers (Rubin). 1990;16:255-8

DEET
Seizures and DEET insect repellent (Danis). 1990;16:160

Deglutition disorders
Difficulty in swallowing accompanied by fever in a 66-year-old man with a history of schizophrenia (Mistretta). 1990;16:417-9

Delany, Dana
Dana Delany of "China Beach" (Sloan). 1990;16:364-7

Delivery
Mock delivery—an educational tool for the emergency department (Kozole and Andrea). 1990;16:162-5

Dengue
Dengue in the United States (Danis). 1990;16:47

Development, child; *see* **Child development**

Dextrose; *see* **Glucose**

Diagnosis, laboratory
On-site stat laboratory in the emergency department: implementation, advantages, and impact on care (Brennan and Gaudiosi). 1990;16:386-90

Diploma programs
Recognition of diploma RNs: a New Year's resolution (Fadale). 1990;16:372 (President's message)

Disaster Medical Assistance Team
A civilian-sponsored DMAT: a community's collaboration among three hospitals (Hogan et al). 1990;16:245-7

Disaster planning
Be prepared (Fadale). 1990;16:235 (President's message)
A civilian-sponsored DMAT: a community's collaboration among three hospitals (Hogan et al). 1990;16:245-7
Disaster preparedness: a serious responsibility (Rushing). 1990;16:234 (Guest editorial)
Disaster preparedness: observations and perspectives (Dinerman). 1990;16:252-4
Emergency nurses in community disaster planning (Berglin). 1990;16:290-2
Hospital disaster drill game: a strategy for teaching disaster protocols to hospital staff (Cook). 1990;16:269-73
Planning a disaster drill: checklists for success (Hindman). 1990;16:298-9

Disasters
Anchors, bites, and choppers: media relations and legal issues in disasters (Gough and Gulliver). 1990;16:259-62
Cincinnati's collaborative response for mass casualty incidents (Garrison et al). 1990;16:274-8
The crash of Avianca Flight 052 (Solieri). 1990;16:307-8
Disaster-related deaths from Hurricane Hugo and the northern California earthquake (Danis). 1990;16:295-7

Disasters—Cont'd
Disaster triage of massive casualties from thermonuclear detonation (Laurent). 1990;16:248-51
The effects of disasters on children: implications for emergency nurses (Conway et al). 1990;16:393-7
Emergency nurse and disaster specialist—Starre Ann Haney (Jezierski). 1990;16:305-6
An interview with Marilyn Quayle (Lenehan). 1990;16:229-33 (Editorial)
Volcano! Disaster management (Sloan). 1990;16:263-8
Disruptive patient; *see* **Patient compliance**
Doctor orders
Orders on admitted patients held in the emergency department (George and Quattrone). 1990;16:43
Dopamine
Antidote for dopamine or Levophed infiltration (Sredzienski). 1990;16:41
Doxycycline
Treatment of pelvic inflammatory disease (Sredzienski). 1990;16:102-3
Drowning
Near-drowning (Nelson and Beckel). 1990;16:119-23
Drug overdose; *see* **Overdose**
Drug update
Drug update. 1990;16:41-2, 102-3, 350-1, 399-400
Drunk driving; *see* **Alcohol drinking**
Dyspnea
A 59-year-old woman with acute dyspnea (Hansen and Bonin). 1990;16:362-3

E

Earthquakes
Disaster-related deaths from Hurricane Hugo and the northern California earthquake (Danis). 1990;16:295-7
Editorials
Editorials. 1990;16:4-5, 131, 229-33, 309, 369-71
Guest editorials. 1990;16:1-3, 234, 373
Education
Advanced cardiac life support preparation: a program for success (Hansen). 1990;16:48-9
Designing an orientation preceptorship: development, delivery, and evaluation (Shaffer and Word). 1990;16:408-11
Emergency services, emergency nursing, and the consumer (Fadale). 1990;16:310-1 (President's message)
Hospital disaster drill game: a strategy for teaching disaster protocols to hospital staff (Cook). 1990;16:269-73
Mock delivery—an educational tool for the emergency department (Kozole and Andrea). 1990;16:162-5
Planning a disaster drill: checklists for success (Hindman). 1990;16:298-9
Recognition of diploma RNs: a New Year's resolution (Fadale). 1990;16:372 (President's message)
The Safety Seal Injury Prevention Program: a response to the epidemic of injury and death in children (Sloan). 1990;16:83-9
"Teddy bear clinic" (Golden). 1990;16:357-9
When dreams come true (Kelleher). 1990;16:1-3 (Guest editorial)
Education, continuing
Challenges, directions, goals . . . (Fadale). 1990;16:6-7 (President's message)
Essential trauma nursing knowledge included in level I trauma center orientation and continuing education programs (Zuspan). 1990;16:141-5
Skill day: a method of reviewing and verifying ED skills for nurses (Somes). 1990;16:111-5
Eggs
Egg-salmonella link (Danis). 1990;16:160-1
Electric countershock
Patients with an implanted cardioverter defibrillator: a new challenge (Schuster). 1990;16:219-25
Electrocardiography
Diagnosis of acute myocardial infarction in the emergency department (Colletti). 1990;16:187-90
Emergency clinical nurse specialist; *see* **Specialties, nursing**
Emergency medical services
Challenges, directions, goals . . . (Fadale). 1990;16:6-7 (President's message)
The more things change, the more they stay the same (Lenehan). 1990;16:4-5 (Editorial)
On-site stat laboratory in the emergency department: implementation, advantages, and impact on care (Brennan and Gaudiosi). 1990;16:386-90
When dreams come true (Kelleher). 1990;16:1-3 (Guest editorial)
Emergency Nurses Association
Emergency clinical nurse specialist. 1990;16:129-30
Making a difference (Fadale). 1990;16:61-2 (President's message)
Presenting . . . the ENA Code of Ethics (Southard). 1990;16:373 (Guest editorial)
20,000 members in our 20th year (Lenehan). 1990;16:131 (Editorial)
Eosinophilia
Eosinophilia-myalgia syndrome (Danis). 1990;16:161
Epididymitis
Testicular torsion or acute epididymitis? Diagnosis and treatment (Tonetti and Tonetti). 1990;16:96-8
Ethics
HIV testing of sexual assault populations: ethical and legal issues (Burgess et al). 1990;16:331-8
Presenting . . . the ENA Code of Ethics (Southard). 1990;16:373 (Guest editorial)
Explosions
Disaster triage of massive casualties from thermonuclear detonation (Laurent). 1990;16:248-51
Extracorporeal circulation
Portable extracorporeal circulation: A new standard in myocardial infarction care? (Brown). 1990;16:226-8
Eye injuries
Mascara applicator trauma (Danis). 1990;16:355

F

Family
Survivors' recollections of helpful and unhelpful emergency nurse activities surrounding sudden death of a loved one (Fraser and Atkins). 1990;16:13-6
Fluoxetine
Fluoxetine (Sredzienski). 1990;16:42
Fluphenazine
Difficulty in swallowing accompanied by fever in a 66-year-old man with a history of schizophrenia (Mistretta). 1990;16:417-9
Foley, Barbara
Drunk driving fatalities for teenagers—emergency nurses do something besides talk about it (Jezierski). 1990;16:172-4
Frederickson, Lyn
From nurse to program director, author, speaker, and mountain mover (Coleman). 1990;16:126-7

G

Gastritis
A 39-year-old man with fatal alcohol withdrawal seizures (Ripley). 1990;16:67-9
Gentamicin
Treatment of pelvic inflammatory disease (Sredzienski). 1990;16:102-3

Glucocorticoids
Dosage equivalent of glucocorticoids (steroids) (Sredzienski). 1990;16:103
Glucose
"Benign" treatments: be critical, and first, do no harm (Lenehan). 1990;16:309 (Editorial)
50% Dextrose: Antidote or toxin? (Browning et al). 1990;16: 342-9
Goals
Challenges, directions, goals . . . (Fadale). 1990;16:6-7 (President's message)
Guest editorials
Guest editorials. 1990;16:1-3, 234, 373

H

Haney, Starre Ann
Emergency nurse and disaster specialist—Starre Ann Haney (Jezierski). 1990;16:305-6
Hazardous substances
Hazardous materials exposure: arsine gas (California Emergency Medical Services Authority and Toxics Epidemiology Program). 1990;16:300-2
Head protective devices
Bicycle helmets for children (Halpern). 1990;16:36-40
Heart-assist devices
Patients with an implanted cardioverter defibrillator: a new challenge (Schuster). 1990;16:219-25
Portable extracorporeal circulation: A new standard in myocardial infarction care? (Brown). 1990;16:226-8
Heart diseases
A 40-year-old woman with midthoracic back pain radiating to left shoulder (High). 1990;16:57-8
Cardiac care: the evolving role of the emergency nurse (Dempsey). 1990;16:185-6
Emergency nursing care of cardiac patients: questions and answers for the 1990s (Frank). 1990;16:183-4
Heart-lung bypass; *see* **Cardiopulmonary bypass**
Heat
Cold and heat application in musculoskeletal injury (Lindsey). 1990;16:54-7
Helicopters; *see* **Aircraft**
Helmet; *see* **Head protective devices**
Hepatitis A
Hepatitis A update (Danis). 1990;16:356
Herpesvirus hominis
A 24-month-old infant with painful urination (Kowalczuk). 1990;16:124-5
Hetastarch
Hetastarch: an alternative colloid in burn shock management (Waters et al). 1990;16:279-87
HIV
HIV testing of sexual assault populations: ethical and legal issues (Burgess et al). 1990;16:331-8
HIV infections
Information from the *MMWR* about AIDS and HIV infection (Herd). 1990;16:108-10
Hotline
Travelers' hotline (Danis). 1990;16:405
Human bite; *see* **Bites, human**
Hurricanes
Disaster-related deaths from Hurricane Hugo and the northern California earthquake (Danis). 1990;16:295-7
Hyperosmolar hyperglycemic nonketotic coma
A 68-year-old unconscious woman with a history of urinary tract infection treated with oral antibiotics (Purnell). 1990;16:303-4
Hypersensitivity
Assessment and treatment of allergic response to stinging insects (Adamski). 1990;16:77-82
Hypothermia, child
Hypothermia and the pediatric patient (Henderson). 1990;16: 411-2

I

Ice
Cold and heat application in musculoskeletal injury (Lindsey). 1990;16:54-7
Impalement injury; *see* **Wounds, penetrating**
Impressions
The crash of Avianca Flight 052 (Solieri). 1990;16:307-8
Four little stitches (Brecheison). 1990;16:367-8
My worst nightmare (Mavity). 1990;16:128
Infant equipment
How safe are child safety seats? (Halpern). 1990;16:151-5
Infections
Human bite wounds (Legge and Murphy). 1990;16:145-9
Mascara applicator trauma (Danis). 1990;16:355
A 22-year-old woman with an infected right-hand wound (Molitor). 1990;16:170-1
Inhalation injury
Inhalation injury after exposure to chlorine gas leak (Prater). 1990;16:243-4
Injuries; *see* **Wounds and injuries**
Insect bites and stings
Assessment and treatment of allergic response to stinging insects (Adamski). 1990;16:77-82
Insect repellents
Seizures and DEET insect repellent (Danis). 1990;16:160
Insulin
Error reduction tip (Sredzienski). 1990;16:350
Internship and residency
Student internship in emergency nursing: one answer to the nursing shortage (Hafer and Sutton). 1990;16:326-30
Intubation, intratracheal
Overview of advanced life support for pediatric patients (Fredrickson). 1990;16:17-24
Isoniazid
Isoniazid toxicity and treatment (Boesch). 1990;16:399

More information about mitral valve prolapse centers (Scordo). 1990;16:376-7
More information sought on case review (McHone) (Letter); (Ripley) (Reply). 1990;16:314-5
More on better security measures for the emergency department (De Valles). 1990;16:375
National Nurses' Day tokens of appreciation found lacking (Van Order). 1990;16:237
Need for elderly trauma funding calls for political involvement of emergency nurses and physicians (Mendoza). 1990;16:134
New York State emergency department questionaires reveal increased patient volume and patient waiting times in 1988 (Shaw and Hens). 1990;16:63-4
A nightmare for a wife/nurse (Lewis). 1990;16:375-6
1989 annual meeting applauded (Andrzejewski). 1990;16:8
North Carolina ENA says "Good morning, America!" (Clemmons). 1990;16:315-6
Nurse or mother: Which comes first when disaster strikes? (Willett). 1990;16:241-2
Poison control nurses sought (Phillips). 1990;16:9
Poison information: a phone call away (Morse). 1990;16:9-11
Praise for ENA cofounder (Emery). 1990;16:236
Reflections (Gordon). 1990;16:316
Reflections on the 1989 ENA General Assembly (Southard). 1990;16:8
Reminder: emergency nurses do make a difference (Godley). 1990;16:312
Reye's syndrome reminder (Jender). 1990;16:314
Sample flow charts requested (Buhr). 1990;16:312
Suctioning a neonate: Nose or mouth first? (Somerson) (Letter); (Kozole and Andrea) (Reply); (Sheehy) (Section editor's reply). 1990;16:378
Title requested (Eakins) (Letter); (Fredrickson) (Reply). 1990;16:377
Trauma coordinator list corrections (Hardwick). 1990;16:11
Trauma coordinator list corrections (Reiner). 1990;16:11
Traveling nurses: considerations and expectations (Scheid and McLaughlin). 1990;16:236-7
A way to recognize and remember emergency nurses (Jury). 1990;16:242
Yellowstone articles prompt reflections (Ingebo). 1990;16:65-6
Levophed; *see* **Norepinephrine**
Life support care
Advanced cardiac life support preparation: a program for success (Hansen). 1990;16:48-9
Overview of advanced life support for pediatric patients (Fredrickson). 1990;16:17-24
Local anesthetics; *see* **Anesthetics, local**

M

Managers ask and answer
Managers ask and answer. 1990;16:44-6, 105-7, 157-60, 292-5, 353-5, 401-5
Mascara applicator injury; *see* **Eye injuries**
Measles
Measles (Danis). 1990;16:405
Media relations; *see* **Public relations**
Medical Assistance Team
Cincinnati's collaborative response for mass casualty incidents (Garrison et al). 1990;16:274-8
Member Get A Member
20,000 members in our 20th year (Lenehan). 1990;16:131 (Editorial)
Methanol; *see* **Alcohol, methyl**
Methylprednisolone
High-dose methylprednisolone in spinal cord patients (Boesch). 1990;16:399
Military nursing
Dana Delany of "China Beach" (Sloan). 1990;16:364-7
Yellow ribbons and a salute for our military nursing colleagues (Lenehan). 1990;16:369-71 (Editorial)
Mitral valve prolapse
From nurse to program director, author, speaker, and mountain mover (Coleman). 1990;16:126-7
***Morbidity and Mortality Weekly Report* file**
The MMWR file. 1990;16:47, 108-10, 160-2, 295-7, 355-6, 405-8
Muscular diseases
Eosinophilia-myalgia syndrome (Danis). 1990;16:161
Musculoskeletal system, injuries
Cold and heat application in musculoskeletal injury (Lindsey). 1990;16:54-7
A 40-year-old woman with midthoracic back pain radiating to left shoulder (High). 1990;16:57-8
Myalgia; *see* **Muscular diseases**
Myocardial infarction
Case review: thrombolysis in acute myocardial infarction (Ernest). 1990;16:212-8
Current controversies in patient selection for thrombolytic therapy (Bennett and Grines). 1990;16:191-4
Diagnosis of acute myocardial infarction in the emergency department (Colletti). 1990;16:187-90
Early triage and treatment of the acute myocardial infarction patient: How fast is fast? (Martin et al). 1990;16:195-202
Invasive cardiac procedures after myocardial infarction: which procedure when and its relationship to thrombolysis (Martin et al). 1990;16:202-7

Myocardial infarction—Cont'd
The patient with acute myocardial infarction: assessing quality of care in one emergency department (Schell and Uibel). 1990;16:208-11
Portable extracorporeal circulation: A new standard in myocardial infarction care? (Brown). 1990;16:226-8

N

Narcotics
Clonidine and opiate detoxification (Sredzienski). 1990;16:41
National Disaster Medical System
A civilian-sponsored DMAT: a community's collaboration among three hospitals (Hogan et al). 1990;16:245-7
Near drowning
Near-drowning (Nelson and Beckel). 1990;16:119-23
Neck, injuries
A 23-year old man with an unusual impalement injury (Shagoury and Fazio). 1990;16:379-81
Needles
Law and the emergency nurse: liability for needle-stick injury (George and Quattrone). 1990;16:104-5
News media relations; *see* **Public relations**
Nimodipine
Nimodipine (Sredzienski). 1990;16:103
Norepinephrine
Antidote for dopamine or Levophed infiltration (Sredzienski). 1990;16:41
Nuclear warfare
Disaster triage of massive casualties from thermonuclear detonation (Laurent). 1990;16:248-51
Nurse educator
Nurse educator. 1990;16:48-9, 111-5, 162-5, 298-9, 357-9, 408-11
Nursing shortage
Student internship in emergency nursing: one answer to the nursing shortage (Hafer and Sutton). 1990;16:326-30

O

Occupational diseases
Occupational asthma (Danis). 1990;16:355-6
Occupational safety of health care workers (Danis). 1990;16:407
October
October: a harbinger of pediatric trauma (Spisso and Beal). 1990;16:339-41
Organizational objectives
Making a difference (Fadale). 1990;16:61-2 (President's message)
Orientation
Designing an orientation preceptorship: development, delivery, and evaluation (Shaffer and Word). 1990;16:408-11
Overcrowding; *see* **Crowding**
Overdose
Error reduction tip (Sredzienski). 1990;16:350
Predicting trouble in tricyclic overdose (Sredzienski). 1990;16:350
A 27-year-old woman with verapamil overdose (Boisvert). 1990;16:317-20

P

Pain measurement
Psychosocial assessment and management of pediatric pain (Douthit). 1990;16:168-70
Patient care guidelines
Patient care guidelines. 1990;16:54-6, 119-23, 168-70, 300-2
Patient care planning
Cardiac care: the evolving role of the emergency nurse (Dempsey). 1990;16:185-6
Emergency nursing care of cardiac patients: questions and answers for the 1990s (Frank). 1990;16:183-4
The patient with acute myocardial infarction: assessing quality of care in one emergency department (Schell and Uibel). 1990;16:208-11
Patient compliance
Patient disposition: jail—a case study (George and Quattrone). 1990;16:156-7
Patient transfer
Preparing the trauma patient for transfer (Harrahill and Bartkus). 1990;16:25-8
Pediatric nursing
The effects of disasters on children: implications for emergency nurses (Conway et al). 1990;16:393-7
Four little stitches (Brecheison). 1990;16:367-8
Hypothermia and the pediatric patient (Henderson). 1990;16:411-2
October: a harbinger of pediatric trauma (Spisso and Beal). 1990;16:339-41
Overview of advanced life support for pediatric patients (Fredrickson). 1990;16:17-24
Psychosocial assessment and management of pediatric pain (Douthit). 1990;16:168-70
"Teddy bear clinic" (Golden). 1990;16:357-9
Pediatric update
Pediatric update. 1990;16:411-2
Pelvic inflammatory disease; *see* **Adnexitis**
Poisoning
Inhalation injury after exposure to chlorine gas leak (Prater). 1990;16:243-4
Methanol poisoning in the emergency department (Weinman). 1990;16:137-40
Position statement
Emergency clinical nurse specialist. 1990;16:129-30
Preceptorship
Designing an orientation preceptorship: development, delivery, and evaluation (Shaffer and Word). 1990;16:408-11
Pregnancy
Mock delivery—an educational tool for the emergency department (Kozole and Andrea). 1990;16:162-5
Prescriptions, drug
Discharge prescriptions from the emergency department (Sredzienski). 1990;16:351
President's message
President's message. 1990;16:6-7, 61-2, 132-3, 235, 310-1, 372
Prisons
Patient disposition: jail—a case study (George and Quattrone). 1990;16:156-7
Professional practice
Challenges, directions, goals . . . (Fadale). 1990;16:6-7 (President's message)
The more things change, the more they stay the same (Lenehan). 1990;16:4-5 (Editorial)
When dreams come true (Kelleher). 1990;16:1-3 (Guest editorial)
Profiles
Dana Delany of "China Beach" (Sloan). 1990;16:364-7
Emergency nurse and disaster specialist—Starre Ann Haney (Jezierski). 1990;16:305-6
From nurse to program director, author, speaker, and mountain mover (Coleman). 1990;16:126-7
Septuagenarian Dorothy Archer, RN, still keeps pace in busy New York emergency department (Jezierski). 1990;16:59-60
Propoxyphene
Propoxyphene overdose (Sredzienski). 1990;16:42
Psychological adaptation; *see* **Adaptation, psychological**
Psychological distress; *see* **Stress, psychological**

Public relations
Anchors, bites, and choppers: media relations and legal issues in disasters (Gough and Gulliver). 1990;16:259-62
Emergency services, emergency nursing, and the consumer (Fadale). 1990;16:310-1 (President's message)

Q

Quality assurance, health care
Elective blood transfusions for AIDS patients in the emergency department: problems delineated and solutions and alternatives offered by quality assurance (Stangby and Herd). 1990;16:382-5
The patient with acute myocardial infarction: assessing quality of care in one emergency department (Schell and Uibel). 1990;16:208-11
Quayle, Marilyn
An interview with Marilyn Quayle (Lenehan). 1990;16:229-33 (Editorial)

R

Rape
HIV testing of sexual assault populations: ethical and legal issues (Burgess et al). 1990;16:331-8
Research abstracts
Research abstracts. 1990;16:50-3, 116-8, 166-7, 360-1, 413-6
Resuscitation
Advanced cardiac life support preparation: a program for success (Hansen). 1990;16:48-9
Near-drowning (Nelson and Beckel). 1990;16:119-23
Overview of advanced life support for pediatric patients (Fredrickson). 1990;16:17-24
Right to die
Cruzan vs. Director, Missouri Department of Health: the recent Supreme Court decision and implications for emergency nursing (Southard). 1990;16:391-2
Risk management
Orders on admitted patients held in the emergency department (George and Quattrone). 1990;16:43
Rural health
Rural trauma: the Oregon experiment (Southard and Trunkey). 1990;16:321-5

S

Safety
Bicycle helmets for children (Halpern). 1990;16:36-40
How safe are child safety seats? (Halpern). 1990;16:151-5
Occupational safety of health care workers (Danis). 1990;16:407
The Safety Seal Injury Prevention Program: a response to the epidemic of injury and death in children (Sloan). 1990;16:83-9
Salmonella enteritidis
Egg-salmonella link (Danis). 1990;16:160-1
Schizophrenia
Difficulty in swallowing accompanied by fever in a 66-year-old man with a history of schizophrenia (Mistretta). 1990;16:417-9
Scientific Assembly
1989 Scientific Assembly poster presentation (Allerman). 1990;16:116-8
Scientific Assembly abstracts (Allerman). 1990;16:413-6
Scientific Assembly abstracts—oral presentations (Allerman). 1990;16:50-3
Scrotum
Testicular torsion or acute epididymitis? Diagnosis and treatment (Tonetti and Tonetti). 1990;16:96-8
Seizures
Seizures and DEET insect repellent (Danis). 1990;16:160
A 39-year-old man with fatal alcohol withdrawal seizures (Ripley). 1990;16:67-9
Sexual abuse of child; *see* **Child abuse, sexual**
Sexual assault; *see* **Rape**
Shock
Hetastarch: an alternative colloid in burn shock management (Waters et al). 1990;16:279-87
Skills, clinical; *see* **Clinical competence**
Social adjustment
Psychosocial assessment and management of pediatric pain (Douthit). 1990;16:168-70
Specialties, nursing
Emergency clinical nurse specialist. 1990;16:129-30
Spermatic cord torsion
Testicular torsion or acute epididymitis? Diagnosis and treatment (Tonetti and Tonetti). 1990;16:96-8
Spinal cord injuries
High-dose methylprednisolone in spinal cord patients (Boesch). 1990;16:399
Stat laboratories; *see* **Laboratories**
Stein-Spencer, Leslee
Leslee Stein-Spencer, emergency nurse, makes history in Illinois and the United States (Jezierski). 1990;16:419-20
Steroids
Dosage equivalent of glucocorticoids (steroids) (Sredzienski). 1990;16:103
Stress, psychological
The ABC method of emotional assessment and intervention: a new approach in pediatric emergency care (Bernardo et al). 1990;16:70-6
Critical incident stress debriefing: helping the helpers (Rubin). 1990;16:255-8
The effects of disasters on children: implications for emergency nurses (Conway et al). 1990;16:393-7
The management of stress and prevention of burnout in emergency nurses (Keller). 1990;16:90-5
Substance abuse
Cocaine and congenital urogenital anomalies (Danis). 1990;16:47
Sudden death; *see* **Death**
Suntanning
Tanning booths and ultraviolet exposure (Sredzienski). 1990;16:103
Supreme Court decisions; *see* **Jurisprudence**

T

TAC solution; *see* **Anesthetics, local**
Tanning; *see* **Suntanning**
Teenagers; *see* **Adolescents**
Testicular torsion; *see* **Spermatic cord torsion**
Testis
Testicular torsion or acute epididymitis? Diagnosis and treatment (Tonetti and Tonetti). 1990;16:96-8
Tetracaine
Safe and effective use of tetracaine, adrenaline, and cocaine (TAC) solution anesthetic for anesthetizing of lacerations (Engebo). 1990;16:100-2
Therapeutics
"Benign" treatments: be critical, and first, do no harm (Lenehan). 1990;16:309 (Editorial)
50% Dextrose: Antidote or toxin? (Browning et al). 1990;16:342-9
Thermonuclear explosion; *see* **Explosions**
Thiamine
Wernicke's syndrome (Sredzienski). 1990;16:41-2
Thrombolytic therapy
Case review: thrombolysis in acute myocardial infarction (Ernest). 1990;16:212-8

Thrombolytic therapy—Cont'd
Current controversies in patient selection for thrombolytic therapy (Bennett and Grines). 1990;16:191-4
Invasive cardiac procedures after myocardial infarction: which procedure when and its relationship to thrombolysis (Martin et al). 1990;16:202-7
New thrombolytic: anistreplase (Eminase) (Sredzienski). 1990;16:350
Tooth luxation
Treatment of tooth avulsion by nurses (Krasner). 1990;16:29-35
Topical anesthetics; *see* **Anesthetics, local**
Toxins
50% Dextrose: Antidote or toxin? (Browning et al). 1990;16:342-9
Traffic accident prevention; *see* **Accident prevention**
Tranquilizing agents
Difficulty in swallowing accompanied by fever in a 66-year-old man with a history of schizophrenia (Mistretta). 1990;16:417-9
Transfer of patient; *see* **Patient transfer**
Transfusions; *see* **Blood transfusion**
Trauma; *see* **Wounds and injuries**
Trauma centers
Essential trauma nursing knowledge included in level I trauma center orientation and continuing education programs (Zuspan). 1990;16:141-5
Rural trauma: the Oregon experiment (Southard and Trunkey). 1990;16:321-5
Travelers' hotline
Travelers' hotline (Danis). 1990;16:405
Treatment; *see* **Therapeutics**
Triage
Disaster triage of massive casualties from thermonuclear detonation (Laurent). 1990;16:248-51
Early triage and treatment of the acute myocardial infarction patient: How fast is fast? (Martin et al). 1990;16:195-202
Triage decisions
Triage decisions. 1990;16:57-8, 124-5, 170-1, 303-4, 362-3, 417-9
Tricyclics; *see* **Antidepressive agents, tricyclic**
Tryptophan
Eosinophilia-myalgia syndrome (Danis). 1990;16:161

U

Ultraviolet rays
Tanning booths and ultraviolet exposure (Sredzienski). 1990;16:103
Unconsciousness
A 68-year-old unconscious woman with a history of urinary tract infection treated with oral antibiotics (Purnell). 1990;16:303-4
Urinary tract infections
A 68-year-old unconscious woman with a history of urinary tract infection treated with oral antibiotics (Purnell). 1990;16:303-4
Urogenital system
Cocaine and congenital urogenital anomalies (Danis). 1990;16:47
A 24-month-old infant with painful urination (Kowalczuk). 1990;16:124-5

V

Verapamil
A 27-year-old woman with verapamil overdose (Boisvert). 1990;16:317-20
Volcanic eruption
Volcano! Disaster management (Sloan). 1990;16:263-8

W

Wernicke's encephalopathy
Wernicke's syndrome (Sredzienski). 1990;16:41-2
Workmen's compensation
Law and the emergency nurse: liability for needle-stick injury (George and Quattrone). 1990;16:104-5
Wound infection
Human bite wounds (Legge and Murphy). 1990;16:145-9
A 22-year-old woman with an infected right-hand wound (Molitor). 1990;16:170-1
Wounds, penetrating
A 23-year old man with an unusual impalement injury (Shagoury and Fazio). 1990;16:379-81
Wounds and injuries; *see also* **Trauma centers**
Cost of injury (Danis). 1990;16:161-2
Human bite wounds (Legge and Murphy). 1990;16:145-9
Law and the emergency nurse: liability for needle-stick injury (George and Quattrone). 1990;16:104-5
Preparing the trauma patient for transfer (Harrahill and Bartkus). 1990;16:25-8
Rural trauma: the Oregon experiment (Southard and Trunkey). 1990;16:321-5
Safe and effective use of tetracaine, adrenaline, and cocaine (TAC) solution anesthetic for anesthetizing of lacerations (Engebo). 1990;16:100-2
A 17-year-old male patient with traumatic laryngeal fracture (Lewis). 1990;16:135-6
Treatment of tooth avulsion by nurses (Krasner). 1990;16:29-35
A 23-year old man with an unusual impalement injury (Shagoury and Fazio). 1990;16:379-81
Wounds and injuries, child
Childhood injuries (Danis). 1990;16:405-6
October: a harbinger of pediatric trauma (Spisso and Beal). 1990;16:339-41
The Safety Seal Injury Prevention Program: a response to the epidemic of injury and death in children (Sloan). 1990;16:83-9

Z

Zidovudine
Elective blood transfusions for AIDS patients in the emergency department: problems delineated and solutions and alternatives offered by quality assurance (Stangby and Herd). 1990;16:382-5
